Thank you so much for purchasing and downloading one of my products. Please adhere to these terms of use. The purchase of a single license allows you to download, make copies, and distribute to the students in a single classroom. If you plan to share this item with friends/colleagues in your school building please purchase the appropriate number of licenses. Additional licenses are purchased through the TpT site at a reduced cost.

This product cannot be distributed, posted, displayed or shared electronically, digitally or otherwise without the permission of the author, Amy Brown (Amy Brown Science).
