Section 6. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “**Depository**”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of understanding and representation (the “**Representation Letter**”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “**Bond Participant**”) or to any person who is an actual purchaser of a Bond from the Bond Participant while the Bonds are in book-entry form (each, a “**Beneficial Owner**”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond.

(b) Upon receipt by the Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the City and the Registrar to do so, the City and the Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Registrar in writing, the Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of certificates representing the Bonds. In such event, the City and the Registrar shall issue, transfer or exchange certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Representation Letter.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any persons, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this **Section**.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of **Section 3(d)** of this Ordinance, the books and records of the Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the City shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfer or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Registrar for issuance of replacement Bonds upon transfer or partial redemption, the City agrees to order printed an additional supply of certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting Mayor and Clerk. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Registrar for issuance upon transfer), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Registrar. The Bonds shall be delivered to the Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, the initial purchaser thereof, upon receipt of the full purchase price of the Bonds as set forth in the Purchase Agreement hereinafter approved. Such initial purchaser shall have the right to direct the registration of the Bonds and the denomination thereof within each maturity, subject to the restrictions of this Ordinance.

Section 7. The Authorized Officers, or any one or more of them, are hereby authorized to appoint a Bond Registrar and Paying Agent (the “**Registrar**”) for the Bonds, which Registrar may be a bank or trust company, or the City Treasurer. The Registrar shall keep the books for the registration and transfer of Bonds at its office. If the Registrar is a bank or trust company, the Registrar shall serve in such capacities under the terms of an agreement entitled “**Paying Agent and Registrar’s Agreement**” between the City and the Registrar, the form of which shall be approved by an Authorized Officer. The Mayor and Clerk are hereby authorized to execute said agreement. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. The transfer of any Bond may be registered upon the books kept for the registration and registration of transfer of Bonds upon presentation and surrender thereof to the Registrar together with an assignment duly executed by the registered owner or such registered owner’s attorney or legal representative in such form as shall be satisfactory to the Registrar. Upon any such registration of transfer, the City shall execute and the Registrar shall authenticate and deliver in exchange for such Bond, a new Bond or Bonds of any denomination or denominations authorized by this Ordinance of the same series and maturity and in the same aggregate principal amount and bearing interest at the same rate. Bonds may be exchanged at the principal office of the Registrar for a like aggregate principal amount of Bonds and the City shall execute and the Registrar shall authenticate and deliver Bonds which the owner making the exchange is entitled to receive, numbered consecutively beginning after the last number then outstanding and of the same maturity and bearing interest at the same rate as the Bonds surrendered for exchange. The Registrar may impose a charge sufficient to defray all costs and expenses incident to registrations of transfer

and exchanges. In each case the Registrar shall require the payment by the owner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

The City and the Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption. The Registrar shall also be responsible for making the payments of principal and interest as the same fall due upon the Bonds from funds provided by the City for such purpose. Payments of interest due upon the Bonds prior to maturity or redemption shall be made by the Registrar by mailing a check in the amount due for such interest on each interest payment date to the registered owner of each Bond as of the close of business on the fifteenth day immediately preceding each interest payment date, addressed to such owner's registered address as shown on the books of registration as required to be maintained under this **Section 7**. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with any accrued interest then due, shall be made by the Registrar upon presentation and surrender of such Bond at the office of the Registrar. The City and the Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for purposes of making payment thereon and for all other purposes. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the City and the Registrar in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 8. The net sale proceeds of the Bonds, along with any necessary funds of the City on hand, shall be applied to pay or reimburse costs of the Project. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds.

Section 9. After the Bonds are executed by the City they shall be delivered to the Registrar for authentication and registration as to ownership, and in the denominations designated in writing by the initial purchaser thereof hereinafter identified. After execution, authentication and registration of the Bonds, the City Treasurer is authorized and directed to deliver them to the Underwriter upon receipt of the purchase price of the Bonds as set forth in the Purchase Agreement described herein.

Section 10. For the prompt payment of the Bonds, both principal and interest as the same fall due, the City hereby pledges all receipts now or hereafter received by the City from the State of Nebraska Highway Allocation Fund (the "**Fund**"), as described and referred to in Section 66-4,101, Reissue Revised Statutes of Nebraska, as amended. Provided, however that the City reserves the right to issue additional bonds pursuant to Section 66-4,101, Reissue Revised Statutes of Nebraska, as amended, payable on a parity with the Bonds and equally and ratably secured by a pledge of receipts from the Fund, and that the pledge of the Fund hereunder shall be deemed independent and separate from the pledge of the Fund with respect to any such issuance of such parity bonds. The City hereby further agrees that it shall levy ad valorem taxes upon all the taxable property in the City at such rate or rates within any applicable statutory and constitutional limitations as will provide funds which, together with receipts from the Fund, as pledged to the payment of the Bonds, and any other monies made available and used for such purpose from other sources, will be sufficient to pay the principal of and interest on the Bonds as the same fall due (including mandatory sinking fund redemptions).

The City hereby further reserves the right to issue additional bonds payable from and secured by a pledge of receipts from the Fund for any lawful purpose.

Section 11. The Clerk shall make and certify one or more complete transcripts of the proceedings had and done by the City precedent to the issuance of said Bonds, a copy of which transcript shall be delivered

to the initial purchaser of the Bonds. After being executed by the Mayor and Clerk, said Bonds shall be delivered to the Underwriter.

Section 12. The City hereby covenants and agrees that it will make no use of the proceeds of the Bonds which would cause the Bonds to be arbitrage bonds within the meaning of Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the “Code”) and further covenants to comply with said Sections 103(b)(2) and 148 and all applicable regulations thereunder throughout the term of said issue, including all requirements with respect to payment and reporting of rebates, if applicable. The City hereby covenants to take all action necessary to preserve the tax-exempt status of the interest on the Bonds for federal income tax purposes under the Code with respect to taxpayers generally. The City further agrees that it will not take any actions which would cause the Bonds to constitute “private activity bonds” within the meaning of Section 141 of the Code. The City hereby designates the Bonds as its “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenants and warrants that it does not reasonably expect to issue bonds or other obligations aggregating in principal amount more than \$10,000,000 during calendar 2021 (taking into consideration the exception for current refunding issues). The Authorized Officers are hereby authorized to make any and all certifications deemed necessary in connection with the designation of the Bonds as “qualified tax-exempt obligations.”

Section 13. The Authorized Officers of the City (or any one of them) are hereby authorized to execute a bond purchase agreement (the “**Purchase Agreement**”) for the sale of the Bonds to the Underwriter, in a form approved by such Authorized Officer(s). Sale of the Bonds to the Underwriter pursuant to the Purchase Agreement is hereby in all respects authorized, adopted, specified, accepted, ratified, approved, and confirmed.

Section 14. The City hereby (1) authorizes and directs that an Authorized Officer execute and deliver, as of date of issue of the Bonds, a Continuing Disclosure Undertaking (the “**Undertaking**”) in such form as shall be satisfactory to bond counsel for the City, and (2) covenants and agrees that it will comply with and carry out all of the provisions of the Undertaking. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Undertaking) or any Beneficial Owner or any other owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this section. For purposes of this section, “**Beneficial Owner**” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Section 15. The Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Official Statement and a final Official Statement for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 16. The City’s obligation under this Ordinance shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal of such Bonds plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to be made in accordance with the terms thereof; or (b) shall have been provided by depositing with the Registrar or in escrow with a national or state bank having trust powers, in trust solely for such payment (i) sufficient moneys to make such payment or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America or obligations of an agency of the United States of America (herein referred to as “**Government Obligations**”), in such amount and maturing as to principal and interest at such times, as will insure the availability of sufficient moneys to make such payment, and such Bonds shall cease to draw interest from the

date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this Ordinance; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given. If moneys shall have been deposited in accordance with the terms hereof with the Registrar as escrow agent in trust for that purpose sufficient to pay the principal of such Bonds, together with all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, as the case may be, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and such Bonds shall no longer be considered outstanding.

Section 17. Without in any way limiting the power, authority or discretion elsewhere herein granted or delegated, the Council hereby (a) authorizes and directs the Authorized Officers, the City Clerk, the City Attorney and all other officers, officials, employees and agents of the City to carry out or cause to be carried out, and to perform such obligations of the City and such other actions as they, or any of them, in consultation with bond counsel, the initial purchaser of the bonds and its counsel, shall consider necessary, advisable, desirable or appropriate in connection with this Ordinance and issuance, sale and delivery of the Bonds, including without limitation and whenever appropriate the execution and delivery thereof and of all other related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs the Mayor the right, power and authority to exercise his own independent judgment and absolute discretion in (i) determining and finalizing the terms, provisions, form and contents of any official statement utilized in offering the Bonds for sale to the public, (ii) determining and finalizing all other terms and provisions to be carried by the Bonds not specifically set forth in this Ordinance, and (iii) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds. The execution and delivery by the Mayor or by any such other officers, officials, employees or agents of the City of any such documents, instruments, certifications and opinions, or the doing by them of any act in connection with any of the matters which are the subject of this Ordinance, shall constitute conclusive evidence of both the City's and their approval of the terms, provisions and contents thereof and all changes, modifications, amendments, revisions and alterations made therein and shall conclusively establish their absolute, unconditional and irrevocable authority with respect thereto from the City and the authorization, approval and ratification by the City of the documents, instruments, certifications and opinions so executed and the actions so taken.

Section 18. If any one or more of the provisions of this Ordinance should be determined by a court of competent jurisdiction to be contrary to law, then such provisions shall be deemed severable from the remaining provisions of this Ordinance and the invalidity thereof shall in no way affect the validity of the other provisions of this Ordinance or of the Bonds and the owners of the Bonds shall retain all the rights and benefits accorded to them under this Ordinance and under any applicable provisions of law. All ordinances, resolutions or orders, or parts thereof in conflict with the provisions of this Ordinance are to be extent of such conflict hereby repealed.

Section 19. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the City when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 20. This Ordinance shall be in full force and effect from and after its passage and publication in pamphlet form as provided by law.
