RE: RECOMMENDATION FOR AWARD OF BID

Council and Mr. Pepplichtsch:

Whereas Lacy Construction Company has successfully completed numerous projects over a number of years designed by Wilkins Architecture Design Planning, LLC and whereas Lacy Construction has submitted the lowest, responsible bid proposal, I hereby recommend that you award a contract to Lacy Construction Company in the amount of \$1,160,000.00 with the project to be Substantially Complete by May 1, 2023. The engineer's estimate of construction cost was a range of \$1.1 - \$1.4 Million.
