The Bond shall be dated as of the date of its delivery. The Bond shall bear interest from the date of its issuance and delivery until maturity (or earlier redemption) at the rate of four point five percent (4.5%) per annum, provided, however, that if for any interest payment date (a) the real estate taxes with respect to the Project Area becoming delinquent upon the delinquency date next preceding such interest payment date have been paid in full and (b) such taxes available for deposit to or deposited in the Bond Fund (as hereinafter established and defined), together with any other monies in the Bond Fund, are insufficient to pay the interest on the Bond then due and owing, the amount of interest accruing on the Bond shall not be reduced, but shall be paid from the Bond Fund as and to the extent of funds then available for deposit to or deposited in such Bond Fund. The principal of the Bond shall become due on December 31, 2031, provided that such principal amount shall be subject to mandatory redemption from "Available Funds" as described in Section 5 below on June 1 and December 1 of each year. All such interest upon the Bond shall be payable semiannually on June 1 and December 1 of each year, commencing June 1, 2017. The Bond shall be in fully registered form. The Agency's Treasurer (the City Treasurer of the City of Lexington) is hereby designated as paying agent and registrar for the Bond (the "Agent"). The Agent shall serve in such capacities pursuant to the terms of this Resolution. The interest due on each interest payment date prior to maturity shall be payable to the registered owner of record as of the last business day of the calendar month immediately preceding the calendar month in which such interest payment date occurs (the "Record Date"), subject to the provisions of Section 4 hereof. Payments of interest due on the Bond, except for payments due on final maturity date, or other final payment, shall be made by the Agent by mailing a check or draft in the amount then due for interest on the Bond to the registered owner of the Bond, as of the Record Date for such interest payment date, to such owner's registered addresses as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal and interest due at final maturity or other final payment shall be made by the Agent to the registered owner upon presentation and surrender of the Bond to the Agent at the Agency's offices at City Hall in the City of Lexington, Nebraska. The Agency and the Agent may treat the registered owner of the Bond as the absolute owner of the Bond for the purpose of making payments thereon and for all other purposes and neither the Agency nor the Agent shall be affected by any notice or knowledge to the contrary, whether the Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of the Bond in accordance with the terms of this resolution shall be valid and effectual and shall be a discharge of the Agency and the Agent, in respect of the liability upon the Bond or claims for interest to the extent of the sum or sums so paid.

Section 3. The Agent shall keep and maintain for the Agency books for the registration and transfer of the Bond at the Agency's offices at City Hall in Lexington, Nebraska. The name and registered address of the registered owner of the Bond shall at all times be recorded in such books. The Bond may be transferred pursuant to its provisions at the Agency's offices by surrender of such Bond for notation of transfer, accompanied by a written instrument of transfer, in form satisfactory to the Agent, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Agent on behalf of the Agency will register such transfer upon its books and make notation thereof on the Bond and deliver the Bond at its

office to the transferee owner (or send it by registered mail to the transferee owner thereof at such transferee owner's expense). All transfers of the Bond shall be upon the basis of a private placement and each proposed transferee registered owner shall furnish the Agent with assurances in form satisfactory to the Agent that such Bond is being purchased for investment purposes only, without view to redistribution and upon the independent credit judgment and investigation of the proposed transferee. The Agency and the Agent shall not be required to transfer the Bond during any period from any Record Date until its immediately following interest payment date or to transfer the Bond when called for redemption, in whole or in part, for a period of 15 days next preceding any date fixed for redemption or partial redemption.

Section 4. Section 5. At any time the Agency shall have the option of prepaying in whole or in part principal of the Bond. Any such optional prepayment of principal shall be accompanied by an amount equal to all accrued but unpaid interest on the principal amount being prepaid. Notice of any optional redemption for the Bond shall be given at the direction of the Agency by the Agent by mail not less than 15 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner at the Bond at said owner's registered address. Notice of call for redemption may be waived in writing by any registered owner. In the event of prepayment in whole the Bond shall be cancelled. The determination of the amount and timing of any optional redemption of the Bond shall be in the absolute discretion of the Agency. The Bond shall also be subject to mandatory partial redemption, without notice, on each interest payment date from all funds to be available in the Bond Fund (as hereinafter established and defined), excluding amounts, if any, from investment earnings for such fund which the Agency shall be entitled to apply to administrative costs related to the Bond, rounded down to the nearest one hundred dollars, after payment of all accrued but unpaid interest on each interest payment date (which funds are referred to in this Resolution as "Available Funds"). Available Funds shall be applied to the prepayment of principal on each interest payment date and shall be remitted to the registered owner of the Bond with interest payments. The Agent shall mark the Agent's records with respect to each mandatory partial principal prepayment made from Available Funds and it shall not be necessary for the registered owner to present the Bond for notation of such prepayment. The records of the Agent shall govern as to any determination of the principal amount of the Bond outstanding at any time and the registered owner shall have the right to request information in writing from the Agent at any time as to the principal amount outstanding upon the Bond.

In the event the monies collected and held in that special fund established under Section 18-2147 of the Nebraska Revised Statutes and pursuant to the Redevelopment Plan and the Resolution authorizing the issuance of this Bond are insufficient to pay in full all amounts due and owing at a date fifteen (15) years from the effective date of the Redevelopment Plan, and all excess ad
