

RESOLUTION NO. 84-6

WHEREAS, the City Electric wholesale service contract with Nebraska Public Power District will expire September 1, 1985, and,

WHEREAS, The City must determine whether to purchase wholesale power from one of service suppliers, or sell or lease the electric distribution system to one of several suppliers, and such decision will have important long term effects upon the provision of electric utility services within the City of Lexington.

BE IT THEREFORE RESOLVED by the City of Lexington, Nebraska, as follows:

1. That a temporary committee to be designated as the Utility Advisory Committee is hereby created to the benefit of the Lexington City Council and the City of Lexington, composed of the following persons: Lee Jacobson, Pete Thies, Ed Darby.

2. That the purpose of the committee shall be to solicit and receive input from the public and power suppliers regarding the impact of the various alternatives available for providing electric utilities to the City of Lexington, and to present factual information to the council regarding such alternatives.
