

RESOLUTION NO 96-06

BE IT RESOLVED that the Mayor and Council of the City of Lexington, Nebraska, hereby find and determine that: No objections were filed against Street Improvement District No. 9602 and that said improvements shall be constructed.

Objections filed against the improvements within Street Improvement District No. 9603 did not represent a majority of the front footage of property directly abutting on streets or alleys to be improved within said District and that said improvements shall be constructed.

Passed and approved this 27th day of January 1996.
