I am requesting a zoning change at 1210 North Johnson Street from R-3 to C-3.

The legal description of this property is: Lots 15 &16, Block 3, McColl and Leflans Second Addition.

This property is adjacent to the east of my dental office, separated by Johnson Street.

The reasons for my request are:

1. The property is currently owned by Kathy Metzger. The property has a double garage on the northeast corner of the property where her late husband had is woodworking shop. Due to current city codes regarding R-3 zoning, this property can not be owned with the garage being the only structure. If it were rezoned to C-3, I could purchase the property and maintain its current status.
2. My reason for wanting to purchase the property is for future expansion. I will have another dentist joining my practice within 4 years. I will be short of storage space for files, records, models, and spare equipment. I will also be short of parking for patients and staff.
3. Metzger's have kept this property in very good condition with well a manicured green lawn, fruit and shade trees, and numerous flower beds. I wish to be able to assure that same look in the neighborhood by purchasing this property. I will have the yard groomed, fertilized, weeds controlled, and snow removed as I have for my dental office the past six years.

I do not anticipate any changes in the appearance of this property in the next five years. In 8 to 10 years, I envision additional parking, either with street setbacks or by paving the majority of the property and bricking the garage to match my office building.

Thank you for your time in considering this zoning change.

To Whom It May Concern:

Tom Fagot has asked for a zoning change on a piece of property that he wants to purchase from Kathy Metzger. This property is located at 1212 North Johnson St.

Calvary Assembly of God Church owns all of the property to the north along 13th street. We do not foresee any problems or issues with the rezoning and in fact see several advantages to us with the increase in potential parking and maybe future commercial development.

We have no objections to this zoning change.

Sincerely,

Rev. Joe Masten
Sr. Pastor
