City Manager Podraza presented a map depicting the parking stalls that would be changed to no parking or minimum parking for compact cars within the downtown area of the City of Lexington. He then asked the council to review this map making any recommendations prior to the December, 12, 1995 council meeting so a resolution can be drawn. No further action was taken. LANDFILL FEES: City Manager Podraza addressed the Lexington City council outlining the need for a rate increase at the present landfill. Mr. Podraza stated that the increase in this is approximately 25% which would also reflect an increase in residential rates allowable by the haulers of solid waste in the City of Lexington per the agreement signed by the city council. Upon completion of his presentation, moved by Wightman, seconded by Anderson that the following resolution be passed and approved. Roll call. Voting "aye" were: Fagot, Anderson, Wightman, Hawks.
