

SUBDIVISION AGREEMENT
NELSON SUBDIVISION

This Agreement entered into on _____, 2008, by and between THOMAS R. NELSON and MARGIE L. NELSON, hereinafter referred to as "SUBDIVIDER," and the City of Lexington, Nebraska, a municipal corporation of the State of Nebraska, hereinafter referred to as "CITY."

WHEREAS, SUBDIVIDER has applied for subdivision approval of NELSON SUBDIVISION, being a part of the Southwest Quarter of the Northeast Quarter of Section 24, Township 10 North, Range 22 West of the 6th P.M. Dawson County, Nebraska, a rural subdivision, said subdivision to provide for future residential development of vacant land;

IN CONSIDERATION OF THE MUTUAL AGREEMENTS OF THE PARTIES, THE PARTIES THEREFORE AGREE AS FOLLOWS:

1. **SUBDIVIDER RESPONSIBILITY:** The parties understand and agree that any review of SUBDIVIDER'S plans and specifications by or on behalf of CITY is only for purposes of CITY and in no way relates to an approval of materials used or the end product of SUBDIVIDER'S work. SUBDIVIDER certifies that he has thoroughly reviewed all plans, notes and specifications, examined the project site and ascertained all soil, geological, ground water and other conditions to be encountered which might affect the construction and future maintenance of the Subdivision. SUBDIVIDER further certifies that work contemplated under such plans and specifications will be prepared by or on behalf of the SUBDIVIDER, that the Subdivision is the responsibility of the SUBDIVIDER and that work is undertaken thereon only in reliance on its own investigation and information and not on any statements, representations or reports, if any, that may have been made or furnished by CITY, its officers, agents or employees.
2. **ENGINEERING STANDARDS AND INSPECTIONS:** The parties agree that prior to construction of any public utilities, drainage facilities or public streets, an engineering plan shall be prepared for approval by the City Engineer, and the grades established and materials used shall be consistent with the grades established and materials used for City facilities.
3. **SUBDIVISION APPROVAL:** The parties agree that no construction will commence until a final subdivision plat complying with all of the terms and provisions of Chapter 24a of the Lexington City Code has been approved by the City Planning Commission and City Council.
4. **SEWER AND WATER:** Sanitary sewer systems and water system will be constructed in compliance with all state and federal regulations.
5. **PUBLIC STREETS:** Any streets or drives within the Subdivision are intended to provide access to the lots by privately maintained roadway, for the benefit of occupants and their guests, and shall not be considered public roadways. CITY shall have no responsibility for maintenance or repair of said roadway. No sidewalk construction shall be required.

6. EASEMENTS: No easements are provided for public utilities, and the parties agree that any public utilities shall be required to obtain private easements for installation of facilities.
7. The parties further agree that neither SUBDIVIDER nor any purchaser shall be given a certificate of occupancy until the property is serviced by water, electricity, and sanitary sewer.
8. CODES: The parties agree that any improvements presently existing and any new construction shall be subject to Building, Mechanical, Plumbing and Housing Codes of the City, and shall be subject to the provisions of Chapter 18 of the Lexington City Code relating to nuisances; maintenance of a nuisance within the Subdivision shall be treated as a violation of the terms of this Subdivision Agreement, and shall be subject to enforcement under the provisions of Chapter 18 of the Lexington City Code.
9. This Agreement shall be binding upon the parties hereto, and their successors in interest and ownership of Subdivision, and shall run with the land

IN WITNESS WHEREOF, the parties have executed this agreement this ____ day of October, 2008.
