RE: CDBG Hearing

Here is a brief overview of the projects scheduled for a public hearing at the July 28, 2009, city council meeting. I will be in attendance to expand on these projects.

- ◆ 07-HO-3090 Owner Occupied Housing Rehab Program. Lexington will be completing the 3rd round of OOR with this project. Contract will end soon with NE DED. During this round, seven homes will be rehabbed. With the completion of this program, 40 houses will be complete.
- ◆ 07-PW-015 This is a Public Works grant for \$250,000 to improve Monroe Street from 3rd Street to 9th Street. Work has begun and is almost complete on the intersection of 3rd and Monroe, and the other intersections that are being made handicapped accessible. The asphalt overlay is scheduled to be completed in early September.
