PHILOSOPHY STATEMENT: The Dawson County Area Economic Development Council (DAD) was formed to provide broad-based policy guidance and implementation of a Dawson County Economic Development Action Plan. The organization is made up of representatives from key sectors whose actions will collectively shape the area's future, including city government, county government, chambers of commerce, local development organizations, the regional economic development district and others as deemed appropriate.

MISSION STATEMENT: To promote a spirit of unity and cooperation in order to plan, organize, and effect the future development of the Dawson County area. The Council shall endeavor to diversify the local economy, foster a favorable business climate, help existing businesses grow and expand, retain existing jobs, create new jobs and career opportunities, and develop the area's resources to their full potential.

HISTORY & RELATED EXPERIENCE:

Dawson County Area Economic Development Council has actively been involved in community and economic development projects since 1989. During DAD's history they have provided a supportive role in the application for CDBG funding for various economic development projects including; MidPlains Holdings, Inc.; Orthman Manufacturing, Inc.; Cornhusker Energy Lexington; Marshall Engines, Inc.; Colorado BioLabs; Baldwin Filters; Frito Lay; Designer Craft Woodworking; Eilers Machine and Welding; LiquidTech; plus various projects involving CDBG reuse funding from Gothenburg, Cozad, and Lexington.

DAD has administered three CDBG OOR housing grants and a CDBG Public Works grant for Lexington. Also, four CDBG ED projects have been administered for various Dawson County communities, and a planning grant for the Village of Eddyville. DAD was also awarded the administration for three CDBG street improvement projects—Sumner, Gothenburg, and Lexington. Cozad and Gothenburg have completed Downtown

Revitalization Studies using CDBG funding and DAD was the administrator for these projects. Phase II of the Downtown Revitalization is now underway in both cities under the administration of DAD. DAD administered Phase I –the Planning Phase of DTR for Lexington.

In 2006, Dawson Area Development was named as a NIFA Outreach Partner to build capacity in housing programs. This three year commitment was extended to allow more housing programs to be compiled by the DAD Housing Committee. From this committee, a Spec House Risk Sharing Program was initiated. DAD also became a REACH certified Homebuyer Education provider in both English and Spanish classes.
