Pam,

I am requesting approval to shoot off small fireworks displays consisting of 3 artillery shells on 3 different nights to help celebrate 3 different events we are having at The Dawson County Raceway in Lexington this summer.

We have always done this in the past and have the Lexington Volunteer Fire Department set them off or Allen Wissman which has done this at the Raceway for years also.

The events and dates include:

Opening Night August 2nd!

Veterans Big Race Event August 9th!

5th Annual Connie Jewett Memorial August 30th!

Please help us celebrate and salvage what we have left of the 2020 season we have lost due to COVID-19.

Two Rivers Health Department said they were notifying Lexington of our approval from them to run events.

Any questions please contact me at 3083251680.

Thank you for your support!

Dear Event Planners:

RE: Dawson County Raceway Events

Thank you for submitting your COVID-19 Event and Gathering Safety Plan for review. We appreciate the time you have spent developing this to ensure the safety of your staff, the individuals at your event and the community. The goal of your plan is to limit the spread of disease and keep workers and attendees safe at gatherings, events, and venues.

Your plan is **approved** as submitted under Phase III of the Directed Health Measures (DHMs). We appreciate your efforts in adhering to the DHMs. Local DHMs can be found at (<https://www.trphd.org/resources/directed-health-measures.html>). The County Attorney, local municipalities, and local law enforcement have been notified of your approval status for this event.

To assist you with on-site education to your patrons, there are signs available for you to use at your event. These signs contain helpful information like social distancing, wash your hands, etc. These resources can be found at <https://www.trphd.org/eventregistration/page.html>

If you have further questions, please contact us at any time.

Regards,
