Authorizing the Execution of a Memorandum of Agreement by and between the City of Lexington, Nebraska and Cornhusker Energy Lexington, LLC in connection with the Issuance of Revenue Bonds and Related Matters.

Whereas, the City of Lexington, Nebraska (the "Issuer"), is authorized, pursuant to the provisions of Chapter 13, Article 11 of the Revised Statutes of Nebraska, as amended (the "Act"), to issue revenue bonds to defray the cost of constructing, acquiring or improving any project suitable for use by any manufacturing or industrial enterprise; and,

Whereas, Cornhusker Energy Lexington, LLC (the "Company") has requested an expression of intent from the Issuer that it will issue revenue bonds and the proceeds of the sale of one or more issues of revenue bonds of the Issuer in an aggregate amount sufficient to finance the costs of sewage and/or solid waste disposal facilities (the "Project") at the Ethanol Plant to be owned and operated by the Company and located within the jurisdiction of the Issuer, currently estimated not to exceed \$40,000,000, will be made available to the Company subject to necessary approvals and proceedings by the Mayor and City Council and approval of the City's legal counsel; and ,

Whereas, the Issuer deems it necessary and advisable that it take such actions as may be required under the Act to express its intent to issue one or more issues of its revenue bonds to finance costs of the Project, currently estimated not to exceed \$40,000,000 subject to necessary approvals and proceedings by the Mayor and City Council and approval of the City's legal council; and,

Whereas, a form of agreement, designated as a "Memorandum of Agreement", has been prepared under which the Issuer has stated its intent to issue one or more issues of its revenue bonds under the Act to finance costs of the Project, currently estimated not to exceed \$40,000,000, and the Company has stated its agreement to enter into a lease or other financing agreement with the Issuer with respect to the Project, under which the Company will be obligated to make basic installment payments sufficient to pay the principal of, and interest and redemption premium, if any, on the bonds as and when the same shall become due and payable, such agreement to contain such other provisions as may be required by the Act and such other provisions as shall be mutually acceptable to the Issuer and the Company; and,

Whereas, it is intended that this resolution shall constitute a declaration of official intent for the reimbursement of Project costs within the meaning of §1.150-2 of the Federal Income Tax Regulations.

Therefore, Be It Resolved by the City Council of the City of Lexington, Nebraska, as follows:

Section 1. That in order to ensure the acquisition, improvement, construction and installation of the Project, with the resulting public benefits which will flow therefrom, the City expresses its intent, subject to necessary approvals and proceedings by the City Council and approval of the City's legal counsel, that revenue bonds be issued under the Act in an amount sufficient to finance costs of the Project, currently estimated not to exceed \$40,000,000, and that the
