Section 6.08 Standards

No conditional use permit shall be granted unless that Planning Commission or City Council has found:

- 6.08.01 That the establishment, maintenance, or operation of the conditional use will not be detrimental to or endanger the public health, safety, moral, comfort or general welfare of the community.
- 6.08.02 That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purpose already permitted, nor substantially diminish and impair property values within the neighborhood.
- 6.08.03 That the establishment of the conditional use will not impede the normal and orderly development of the surrounding property for uses permitted in the district.
- 6.08.04 Adequate utilities, access roads, drainage, and/or necessary facilities have been or are being provided.
- 6.08.05 Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
- 6.08.06 The use shall not include noise which is objectionable due to volume, frequency, or beat unless muffled or otherwise controlled.
- 6.08.07 The use shall not involve any pollution of the air by fly-ash, dust, vapors or other substance which is harmful to health, animals, vegetation or other property or which can cause soiling, discomfort, or irritation.
- 6.08.08 The use shall not involve any malodorous gas or matter which is discernible on any adjoining lot or property.
- 6.08.09 The use shall not involve any direct or reflected glare which is visible from any adjoining property or from any public street, road, or highway.
- 6.08.010 The use shall not involve any activity substantially increasing the movement of traffic on public streets unless procedures are instituted to limit traffic hazards and congestion.
- 6.08.011 The use shall not involve any activity substantially increasing the burden on any public utilities or facilities unless provisions are made for any necessary adjustments.
